

## In brief

I have 18 years professional experience in the IT area. The past 11 years, I have worked in the field of SAP-BC (Basis). This has given me a very broad, but still in dept, experience in areas like programming, system administration, project management, consulting and technology proving. I have an open-minded, analytical, result-driven, convincing, self-driven and structured personality. In my spare time I enjoy playing badminton and sailing. I was born 1964 in Copenhagen.

## Work- Experience

2006-?

### **IBM Denmark**

- SAP technology and infrastructure consultant.
- Team leader for a group of SAP Basis consultants.

2000-2006

---

1994-1999

## **Novo Nordisk**

Executing SLA-based facility management of AXP/VMS, Digital UNIX, HP-UX and AIX systems. As from 1995, I have been working exclusive with SAP R/3 as a SAP Basis person in this company. In this area, it was my job to setup new systems and operation procedures. This also included the Oracle database administration.

1992-1994

## **Technical Library of Denmark**

I was performing UNIX and OpenVMS system administration and application development in the client/server area using Berkeley Socket programming. Setting-up the first Web-server in Denmark!

1988-1992

## **SEAS**

Here I was mainly programming in FORTRAN and Pascal under OpenVMS and some system administration of OpenVMS systems.

## Education

1984-1988

B.Sc. of honours standard, Engineering

1981-1984

High school (math & physics)

## SAP Certifications

2005

Technology Consultant SAP NetWeaver  
*SAP Web AS Impl. & Oper. for ORACLE (2003)*

1999

SAP R/3 4.x (UNIX/Oracle)

1998

SAP R/3 3.x (UNIX/Oracle)

## Programming Languages

c++, Perl, java, Pascal and shell-scripting.

## Operating Systems

AIX, HP-UX, Digital UNIX, Linux and Windows.
